

Speakeasy Theatre Company present:

# ROMEO

# and JULIET

Interactive Workshop for KS3

Our professional actor/workshop leaders visit your school to lead this dynamic, enthralling session directly supporting the KS3 curriculum:

- Looking in detail at the 'meeting' and 'death' scenes— or you choose !
  - Character and Language.
- Developing understanding of themes throughout the play—love and hate, and personal vs group loyalty.

"Speakeasy seem to be able to cross the divide between what we might expect from practitioners of drama and what we *want* as educationalists. They just 'get it'."
